Desk Mount Dual Monitor Arm

Work Efficiently

Increase your efficiency with the Z2 Basic dual monitor arm: It is often helpful to work with multiple screens at the same time to keep important applications parallel in view. The Z2 Basic extends your view and thereby simplifies not only your work, but it also allows you to work more efficiently.

More Flexibility

Turn your monitor horizontal in any direction in an easy and convenient way.

Quick and Easy Installation

The monitor arm can be mounted on most surfaces with the sturdy and adjustable clamp which fits the edge of your desk in various thicknesses.

Ergonomic Seating Position

Pay attention to your health, also in the office. So the Z2 Basic improves your ergonomic seating position through ideal alignment according to your individual eye level.
